

Better Construction Through Fair Construction

**AMERICAN
SUBCONTRACTORS
ASSOCIATION
METRO WASHINGTON**
THE FIRST & FOUNDING CHAPTER OF ASA

“American Subcontractors Association of Metro Washington promotes and protects the rights and interests of subcontractors and suppliers by building strength in the community through education, legislation, networking and professional growth.”

WHO WE ARE

American Subcontractors Association, ASA is dedicated to improving the business environment in the construction industry. By focusing exclusively on the needs of subcontractors, ASA targets issues that directly and often indirectly impact your bottom line.

Established in the Metro Washington area in 1964, ASA of Metro Washington provides opportunities for advocacy, education, information sharing, networking, and access to the latest trends in construction. ASA Metro Washington members represent nearly every specialty trade and suppliers for commercial, institutional and multi-family construction. Members also include service providers to the subcontracting community, such as legal, financial, and insurance firms and management and business consultants.

WHAT WE DO FOR YOU

EDUCATIONAL PROGRAMS AND NETWORKING OPPORTUNITIES

Whether you are the decision maker in the office or you spend your time on construction sites, we know that you are busy. It is essential to take the time to find ways to promote growth within your company. ASAMW offers a wide range of educational events and activities open to members and their guests. Each of our events provides opportunities to interact with subcontractor and supplier peers, as well as General Contractors, in an environment that works toward building a team of partners who are committed to each other's business success.

ADVOCACY FOR LEGISLATIVE REFORM

The Association, both in the Metro Washington area and nationwide, is dedicated to protecting the rights of every specialty contractor and supplier. ASA hears your voice and sends a strong message to area lawmakers about the important issues that your business faces every day. The association has been and continues to be active in promoting prompt payment, indemnity and risk transfer reform, retention issues, and lien rights through its active legislative committees and professional lobbyists and by participating in the Alliance for Construction Excellence.

ACCESS TO THE LATEST INDUSTRY NEWS

ASAMW and ASA monitor the everyday workings in the construction industry and provide pertinent information in various, easy to read formats.

- ASA Today is a weekly national news bulletin
- The Contractors Compass is a monthly journal with strategic business tips
- ASAMW BiWeekly Newsletter provides the latest news for subcontractors in the DMV
- NSA Today is published periodically and covers substantive business, legal and legislative developments that are relevant nationwide.

INVALUABLE FREE ADVICE

Our Professional Council membership is made up of service members of ASA, who know the construction industry. They offer limited complimentary advice to members on the following topics:

- Accounting
- Banking/Investment
- Employee Benefits
- Insurance
- Legal Issues
- Safety
- Surety

SUBCONTRACTORS INFORMATION EXCHANGE

These regularly scheduled, confidential meetings allow members to share current information about general contractors with whom members are currently working or are interested in bidding. These member-only meetings provide an opportunity to develop meaningful business relationships and support professional growth.

MARKETING AND SPONSORSHIP OPPORTUNITIES

ASA of Metro Washington offers a range of sponsorship and advertising opportunities to help your company make its name known in the construction industry.

VOLUNTEER OPPORTUNITIES

ASA of Metro Washington committees and champion groups provide additional support toward implementing the goals of ASAMW. Their work yields valuable insight on issues facing the subcontracting community. Participation in these committees enables members to have a strong voice in driving positive change within the construction industry.

DISCOUNTS ON PRODUCTS AND SERVICES

The ASAdvantage Program provides access to discounts on project documentation, equipment, fleet services, insurance, and more.
